# Caring for Our Community

Earth Day 2020 marks 50 years since the environmental movement started. Did you know enough paper is thrown away each year to build a 12-foot high wall of paper from Los Angeles to New York City, according to Waste Management. The average American uses 650 lbs. of paper per year! On April 22, you can help reduce that number by signing up for our e-statements. When you do, you'll be entered to win 1 of 3 iPads.

All entries must be submitted by 04/30/2020. Entries are earned by signing up for e-statements. If you already have e-statements you can email a picture of an earth friendly act to promotions@fpccfcu.org. Three winners will be chosen at random.
