Here we go with ZOGO!

We're thrilled to announce our brand-new partnership with Zogo, a mobile app that teaches you financial literacy, and rewards you for doing so!

Thanks to this partnership, Fire Police City County Federal Credit Union members will have access to a fun, simplified way of learning about personal finance - and a way to get paid while they do it.

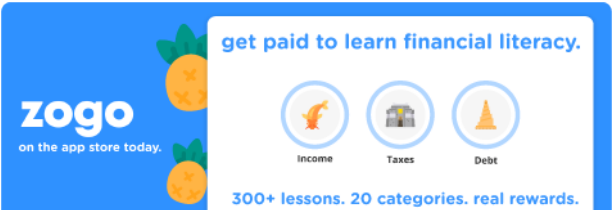

Here's how the app works:

- Users have access to nearly 400 bite-sized educational modules that meet all the national standards for financial literacy.

- Users begin each module by learning 5 concepts before taking a 5 question quiz.

Financial Literacy:
The knowledge and application of various financial skills.

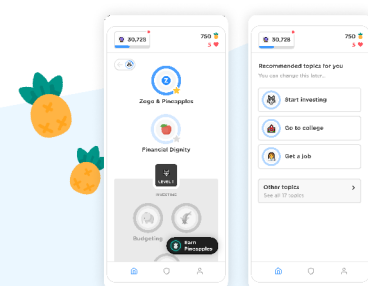

- The user earns points - in the form of pineapples - for completing each educational module.
- Users can exchange their pineapples for gift cards (and other rewards), sponsored by us.
- FPCCFCU members will receive access to the Zogo platform at no cost.

Financial literacy is a critical part of the journey toward financial freedom. FPCCFCU is happy to provide our members, young and old, with the tools they need to build a brighter financial future - a goal we can work toward together. If you have any questions, please contact promotions@fpccfcu.org.

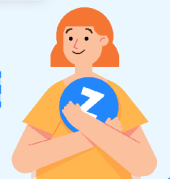

Get paid to learn financial literacy.
