FEDERAL CREDIT UNION

STRIKES FOR CHARITY APPLICATION

OUR STORY

Fire Police City County FCU was chartered in December 1933 to offer competitive financial services to Fort Wayne firefighters. The Credit Union currently encompasses over 320 Select Employee Groups throughout the community with six full service branch locations in Fort Wayne and New Haven.

One of the founding principles of the Credit Union is to be a source for their members to save and borrow money. We take pride in providing financial literacy to the community, serving our members and striving to be our members' only financial institution.

The Credit Union philosophy of "people helping people" is what makes us stand apart from other financial institutions.
