Supervisory Committee Report

The Supervisory Committee is appointed by the Board of Directors and is responsible for monitoring and evaluating the credit union's financial condition, internal controls, and compliance with federal regulations and laws. They perform a financial and management oversight role, independent of the Board of Directors, on behalf of the credit union membership.

The Supervisory Committee retained the services of FORVIS, LLP, an independent Certified Public Accounting firm, to conduct the 2024 annual review. The committee is pleased to report excellent results. FORVIS, LLP also conducted several internal audits and presented all findings and remedies at the Supervisory Committee Meetings throughout the calendar year. All financial and operational areas reviewed by the Supervisory Committee found no major discrepancies. Based on the results of our internal audit reports and review, it is the opinion of the Supervisory Committee that Fire Police City County FCU continues to be financially safe, sound and well managed.

The Supervisory Committee remains committed to fulfilling its duty of oversight and ensuring the credit union operates effectively, securely, and in the best interest of its members. We would like to express our gratitude to the staff, board of directors, and management team for their continued dedication to the growth and success of Fire Police City County FCU.
