## President's Letter

At the heart of our credit union is a simple promise: to help our members grow financially. In 2025, we were proud to build on that promise with new tools and services designed to make managing your money easier, faster, and more secure.

Over the past year, we introduced several enhancements to your membership, including **DreamPoints Rewards**, which gives credit cardholders more flexibility to redeem rewards for cash back, travel, gift cards, and even real-time purchases.

Members may have noticed the new **Membership Rewards** feature in our mobile app, which lets you earn points for using credit union services and unlock benefits like lower loan rates, waived fees, and higher dividends. We also launched **REPAY**, making loan payments more convenient with real-time online options.

Looking ahead to 2026, we're excited to introduce **Flex Loans**, giving members the ability to reduce monthly auto loan payments through online banking. Look for this and many other new and exciting features coming soon.

These updates are just a glimpse of what's ahead. As always, our focus remains on helping you feel confident, supported, and in control of your financial future. Visit [fpccfcu.org](https://fpccfcu.org) to stay connected and learn more.
